

BUY THIS BUILDING!

Buy this building, because Frankfort is booming! Don't miss out on this beautifully remodeled bar/restaurant in the heart of Main Street. Tucked behind this window are a whopping 80 seats, including an 18-seat gleaming ash-wood bar with FULL LIQUOR (plus a beer/wine RETAIL license). Outdoor seating, too. Huge kitchen, walk-in fridge and freezer, massive pizza oven and lots of new equipment. You're going to love it here because of the friendly locals and the high-volume traffic that strolls in during the Summer. Live your dream of owning a great business in this beautiful neighborhood.
